

Nec L102W

NEC L102W

Brief Introduction

Beta 2.5

The Nec L102W 3D LED DLP projector has 1000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies an LED service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. 1000 Ansi lumens ensure that a picture width of 321 cm is also possible. However, if room light is available, the picture should be a maximum of 214 cm wide. The projector was launched in 2014 and is no longer sold by the manufacturer.

Display Type

1 x 0,45" DLP Chip
