

Nec M260W

N E C M 2 6 0 W

The standard portable Nec M260W LCD projector has 3000 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 5000 hours, which is equivalent to over 6.8 years at 2 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. 3000 Ansi lumens ensure that a picture width of 556 cm is also possible. However, if room light is available, the picture should be a maximum of 371 cm wide. Furthermore, the projector can play 1080P without any problems. The model built in 2010 is no longer offered by Nec.
