

Optoma 4K400STx

OPTOMA 4K400STx

A brief introduction to the Optoma 4K400STx. The DLP projector has a UHD (4K2K) 3840 x 2160 resolution and a contrast of 1000000:1. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. With a projection ratio of just 0.5:1, this projector never gets in the way. For a 2m wide image, the projector needs to be just 100 cm away from the screen. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, meaning that all currently available Blu-ray formats can be recognized by the projector. With only 28 decibels of operating noise, the model is already very quiet compared to others.

Brief Introduction Beta 2.5

Display Type

1 x DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Ansi-Lumen

4000 1778 Lux (bei 200 cm Screen)
