OPTOMA DS330

The DS330 3D BrilliantColor DLP projector from Optoma has 2800 Ansi lumens, a contrast of 13000:1 and an SVGA 800 x 600 resolution. The lamp life is specified by the manufacturer as 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. A picture width of up to 461 cm is possible. However, the picture should be smaller in room light. We recommend max. 307 cm. Playing 1080P and 3D is also no problem for the projector. On the market since 2013, the model is no longer offered by the manufacturer Optoma.
