

Optoma DW333

OPTOMA DW333

A brief introduction to the DW333: The Optoma standard portable 3D DLP projector offers 3000 Ansi lumens, a contrast of 18000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. 556 cm image width, the projector will be able to illuminate well. However, if room light is available, the picture width should ideally not exceed 371 cm. Video signals 1080P and 3D are also no problem for the projector. The projector was launched in 2015 and is no longer sold by the manufacturer.

Brief Introduction Beta 2.5

Display Type

 1 x 0,65 DC3 DLP Chip
