

Optoma EW695UTis

OPTOMA EW695UTIS

The Whiteboard EW695UTis 3D BrilliantColor DLP projector from Optoma has 3500 Ansi lumens, a contrast of 3000:1 and a WXGA 1280 x 800 resolution. Thanks to the brightness of 3500 Ansi lumens, an image width of 601 cm is possible. The projector will also create slightly brighter rooms with a smaller image width (we recommend max. 401 cm). The projector is equipped with an integrated whiteboard function for interactive training and presentations. Even 1080P playback is no problem for the projector. On the market since 2013, the model is no longer offered by the manufacturer Optoma, but is still very popular in our projector database.
