

Optoma GT5600

EAN/UPC:796435 81 324 6

OPTOMA GT5600

Brief Introduction

Beta 2.5

The GT5600 3D DLP has 3600 Ansi lumens, a contrast of 20000:1 and an HDTV 1920 x 1080 resolution. The lamp life is specified by the manufacturer as 15000 hours, which is over 20.5 years with a daily viewing time of 2 hours. The horizontal and vertical keystone correction allows the projector to be positioned very freely. This projector has a projection ratio of just 0.25:1. For a 2 m wide image, the projector only needs to be 50 cm away from the screen. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. Playing 1080P and 3D is also no problem for the projector.
