

Optoma Pico PK120

OPTOMA PICO PK120

Brief Introduction

Beta 2.5

The Optoma Pico PK120 Game Portable LED DLP projector has 18 Ansi lumens, a contrast of 2000:1 and a VGA 640 x 360 resolution. The service life of the LEDs is 20000 hours, which would be the equivalent of over 13.7 years at 4 hours per day. Including an integrated media player with which files can be played directly. The rechargeable projector is not dependent on a direct power source and can therefore be set up very quickly, freely and spontaneously. The projector was launched in 2011 and is no longer sold by the manufacturer.

1 x DLP Chip
VGA 4/3 Ti Digital Light Processing Chip
