

Optoma S341

OPTOMA S341

The standard portable Optoma S341 3D BrilliantColor DLP projector has 3500 Ansi lumens, a contrast of 22000:1 and an SVGA 800 x 600 resolution. The lamp life is specified by the manufacturer as 10000 hours, which converts to over 13.7 years at 2 hours per day. 3500 Ansi lumens ensure that a picture width of 515 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 343 cm. Video signals 1080P and 3D are also no problem for the projector. The projector was launched in 2016 and is no longer sold by the manufacturer.
