

Optoma TX542 3D

OPTOMA TX542 3D

The Optoma TX542 3D standard portable 3D BrilliantColor DLP projector has 2800 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The lamp in the projector is specified with a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours every day. The projector can illuminate a picture width of up to 461 cm thanks to its 2800 Ansi lumens. In room light, however, the image width should ideally be less than 307 cm. Even 1080P video signals are no problem for the projector. On the market since 2009, the model is no longer offered by the manufacturer Optoma.
