

Optoma UHD40

OPTOMA UHD40

The Optoma UHD40 standard portable DLP projector has 2400 Ansi lumens, a contrast of 500000:1 and a 4KESHIFT 2716 x 1528 4,150,048 pixel resolution. The lamp in the projector is specified with a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours every day. Includes a lens shift function, which provides freedom during installation. 2400 Ansi lumens ensure that a picture width of 498 cm is also possible. However, if room light is available, the picture should be a maximum of 332 cm wide. It is also Full HD 1080P and 4K compatible. At just 25 decibels, the device is one of the quieter projectors. The projector was launched in 2018 and is no longer sold by the manufacturer, but is still a popular projector in our database.
