

Optoma WU465

OPTOMA WU465

With the WU465, manufacturer Optoma offers a standard portable DLP projector with WUXGA 1920 x 1200 resolution and a contrast of 20000:1. The horizontal and vertical keystone correction provides leeway when setting up. Thanks to the brightness of 4800 Ansi lumens, a picture width of 704 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 469 cm). Playing 1080P and 3D is also no problem for the projector. The projector was launched in 2017 and is no longer sold by the manufacturer.

1 x 0,65" DMD DLP Chip
