

Optoma X344

OPTOMA X344

With the X344, manufacturer Optoma offers a standard portable DLP projector with XGA 1024 x 768 resolution and a contrast of 22000:1. The lamp in the projector is specified with a lamp life of 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 477 cm well thanks to the 3000 Ansi lumens. In room light, however, the image width should ideally be less than 318 cm. Playing 1080P and 3D is also no problem for the projector. It was launched in 2016 and is no longer offered by the manufacturer Optoma.
