OVERMAX BEAMER MULTIPIC 3.6

A brief introduction to the Multipic 3.6 projector: The Overmax Game-Portable LED LCD projector offers 210 Ansi-Lumen, a contrast of 20000:1 and a HDTV 1280 x 720 resolution. The lifespan of the LEDs is 50000 hours, which is over 34.2 years with a daily viewing time of 4 hours. As Overmax specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 210 Ansi lumens ensure that a picture width of 147 cm is also possible. However, if room light is available, the picture should be a maximum of 98 cm wide. In addition, thanks to the Bluetooth function, the projector can be flexibly paired with other speakers. It is also Full HD 1080P compatible.
