

Philips NeoPix Ace / NPX647/INT

PHILIPS NEOPIX ACE / NPX647/INT

Brief Introduction

Beta 2.5

The Philips NeoPix Ace / NPX647/INT standard portable LED LCD projector has 1750 Ansi lumens, a contrast of 3000:1 and an HDTV 1920 x 1080 resolution. Due to the LEDs, the projector is specified with 20000 hours of light life, which is over 13.7 years with a daily viewing time of 4 hours. The integrated media player can play files directly. As Philips specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. A picture width of up to 425 cm is possible, as the projector has 1750 Ansi lumens. However, if room light is available, the image should be max. 283 cm wide. Video signals 1080P are also no problem for the projector. The model was built by Philips in 2020 and is no longer current.

Display Type

3 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

Projector: 1750 / 4200 LED Lumen
Screen: 778 Lux (bei 200 cm Screen)

Contrast

3000:1 full on/off

Black Level

0,5833 min. Lumen
