

Philips NeoPix Ultra

PHILIPS NEOPIX ULTRA

The NeoPix Ultra LED LCD projector from Philips has 1750 Ansi-Lumen, a contrast of 3000:1 and an HDTV 1920 x 1080 resolution. Manufacturer Philips specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As Philips specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a picture width of up to 425 cm well with its 1750 Ansi lumens. In room lighting, however, the picture width should ideally be less than 283 cm. The projector can also play 1080P without any problems. The model built in 2019 is no longer offered by Philips.

Brief Introduction

Display Type

LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

1750 / 4200 LED Lumen

778 Lux (bei 200 cm Screen)
