

Plus UP 880

PLUS UP 880

Brief Introduction

Beta 2.5

A brief introduction to the UP 880: The Plus DLP projector offers 800 Ansi lumens, a contrast of 500:1 250:1 according to Ansi and an SVGA 800 x 600 resolution. An image width of up to 246 cm is possible as the projector has 800 Ansi lumens. However, if room light is available, the picture should be a maximum of 164 cm wide. The projector was launched in 1998 and is no longer sold by the manufacturer. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
