

projectiondesign F10 1080

PROJECTIONDESIGN F10 1080

Brief Introduction

Beta 2.5

The projectiondesign F10 1080 BrilliantColor DLP projector has 3400 Ansi lumens, a contrast of 3000:1 and an HDTV 1920 x 1080 resolution. A picture width of up to 592 cm is possible. However, the picture should be smaller in room lighting. We recommend max. 395 cm. Playing 1080P is also no problem for the projector. The projector is very quiet compared to other projectors with an operating noise of 30 decibels. The projector was launched in 2008 and is no longer sold by the manufacturer.
