

Promethean UST-P2

P R O M E T H E A N U S T - P 2

Brief Introduction

Beta 2.5

The short-throw UST-P2 3D DLP has 3000 Ansi lumens, a contrast of 2300:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 6000 hours, which converts to over 8.2 years at 2 hours per day. This projector has a projection ratio of just 0.35:1. For a 2 m wide image, the projector only needs to be 70 cm away from the screen. Playing 1080P is also no problem for the projector. On the market since 2017, the model is no longer offered by the manufacturer Promethean.

DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip
