With the PRJ3D99TU, manufacturer Pyle offers an LCD projector with SVGA 800 x 600 resolution and a contrast of 800:1. The lamp life is up to 6000 hours, which is over 8.2 years if enjoyed for two hours a day. As Pyle specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector will be able to illuminate a picture width of 91 cm well. However, if there is room light, the picture width should ideally not exceed 61 cm. It is also Full HD 1080P compatible. The model built in 2012 is no longer offered by Pyle.

 1 x 5" LCD TFT Panel
SVGA 4/3 Liquid Crystal Display

700 / 1800 Lumen
800:1 full on/off
0,8750 min. Lumen
