

Pyle PRJAND818

PYLE PRJAND818

The standard portable PRJAND818 LED LCD projector from Pyle has 192 Ansi-Lumen, a contrast of 15000:1 and a WXGA 1280 x 800 resolution. The lifespan of the LEDs is 50,000 hours, which is equivalent to 34.2 years at 4 hours per day. The projector also offers an integrated media player that can be used to play files directly. As Pyle specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. An image width of up to 141 cm is possible. In room light, however, the image should be smaller. We recommend max. 94 cm. It came onto the market in 2016 and is no longer offered by the manufacturer Pyle.

Brief Introduction

Display Type

1 x 5,8" LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Ansi-Lumen

192 / 3200 Lumen 77 Lux (bei 200 cm Screen)
