

# Pyle PRJD907

PYLE PRJD907

The Pyle PRJD907 standard portable LED projector has 120 Ansi lumens, a contrast of 1000:1 and a WVGA 800 x 480 resolution. Due to the LEDs, the projector is specified with 50000 hours of light life, which is over 34.2 years with a daily viewing time of 4 hours. The integrated media player can play files directly. As Pyle specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. 111 cm image width, the projector will be able to illuminate well. However, if room light is available, the image width should ideally not exceed 74 cm. It was launched in 2014 and is no longer offered by the manufacturer Pyle.

## Brief Introduction

Beta 2.5

### Display Type

### Ansi-Lumen

Projector 120 / 2000 Lumen

Screen 53 Lux (bei 200 cm Screen)

### Contrast

1000:1 full on/off

1000:1 full on/off

### Black Level

0,1200 min. Lumen

0,053 min. Lumen

### Offset
