

# Pyle PRJLE82H

PYLE PRJLE82H

With the PRJLE82H, manufacturer Pyle offers an LCD projector with WXGA 1280 x 768 resolution and a contrast of 2000:1. Includes an integrated media player for direct playback of files. As Pyle specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 162 Ansi lumens ensure that a picture width of 129 cm is also possible. However, if room light is available, the picture should be max. 86 cm wide. The model was built by Pyle in 2015 and is no longer current.

1 x 5,8" LCD TFT Panel  
WXGA 15/9 Liquid Crystal Display
