

Pyle PRJD905

PYLE PRJD905

Brief Introduction

Beta 2.5

A brief introduction to the PRJD905: The Pyle standard portable LED LCD projector offers 108 Ansi lumens, a contrast of 900:1 and a VGA 640 x 480 resolution. The lifespan of the LEDs is 50,000 hours, which is equivalent to 34.2 years at 4 hours per day. As Pyle specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 91 cm is possible. In room light, however, the image should be smaller. We recommend max. 61 cm. This model is no longer offered by Pyle.

Display Type

3 x LCD TFT Panel
VGA 4/3 Liquid Crystal Display

Ansi-Lumen

350 / 1800 Lumen

117 Lux (200 cm Screen width)

Contrast

900:1 full on/off

900:1 full on/off

Black Level

0,3889 min. Lumen

0,13 min. Lumen
