The RCA RPJ107 LED LCD projector has 33 Ansi lumens and a WVGA 800 x 480 resolution. Thanks to the LEDs, the projector has a light life of up to 30,000 hours, which equates to over 20.5 years at 4 hours of use. Another extra is that the projector can be connected to external wireless speakers using the Bluetooth function. Even 1080P video signals are no problem for the projector.
