

REAGLE R-MOVIELUM-P10

REAGLE R-MOVIELUM-P10

The REAGLE R-MOVIELUM -P10 LED LCD projector has 260 ANSI lumens, a contrast ratio of 2200:1 and an HDTV resolution of 1280 x 720. Thanks to its LEDs, the projector has a specified lamp life of 30,000 hours, which would equate to over 20.5 years based on 4 hours? viewing per day. Horizontal and vertical keystone correction ensures that setting up the image is child?s play. Thanks to its 260 ANSI lumens, the projector can effectively illuminate an image width of up to 138 cm. However, in room lighting conditions, the image width should ideally be less than 92 cm. The projector features Chromecast, AirPlay and Miracast screen mirroring support, which allows high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. Another bonus worth mentioning is that the projector?s Bluetooth function allows it to be connected to external wireless speakers. The model is also Full HD 1080p compatible. At just 30 decibels, the device is one of the quieter projectors.
