

REAGLE R-MOVIELUM-P70

EAN/UPC:B0H5C MDBL8

Brief Introduction

Beta 2.5

The REAGLE R-MOVIELUM-P70 Micro portable LED LCD projector has 1,100 ANSI lumens, a contrast ratio of 10,000:1 and an HDTV resolution of 1,920 x 1,080. It is an LED projector with a lamp life of 30,000 hours, which equates to over 20.5 years at 4 hours? use per day. Horizontal and vertical keystone correction provides flexibility when setting up. Thanks to its 1,100 ANSI lumens. However, in well-lit rooms, the image width should ideally be less than 109 cm. Thanks to Google TV, the projector can be conveniently controlled via voice commands. The model recognises Chromecast and screen mirroring signals, so it is possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS) via Wi-Fi. Another feature worth mentioning is that the projector can be connected to external wireless speakers via its Bluetooth function. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues. Compared to other models, the projector is very quiet, with an operating noise level of 30 decibels.
