SVIC S620D

Brief Introduction Beta 2.5	The standard portable SVIC S620D LCD projector has 120 Ansi lumens, a contrast of 500:1 and a WVGA 800 x 480 resolution. The manufacturer SVIC specifies a lamp life of 6000 hours, which is over 8.2 years if enjoyed for two hours every day. As SVIC specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a picture width of up to 111 cm well thanks to the 120 Ansi lumens. In room light, however, the picture width should ideally be less than 74 cm. With only 28 decibels of operating noise, the model is very quiet compared to others. The model is no longer offered by SVIC.
Display Type	LCD TFT Panel WVGA 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 120 2000 Lumen / Screen: 53 Lux (bei 200 cm Screen)
Contrast	Projector: 500:1 full on/off / Screen: 500:1 full on/off
Black Level	Projector: 0,2400 min. Lumen / Screen: 0,106 min. Lumen
Offset	-
