TAW®
Theater Automation WOW!

The Evolution

- ✔ The Evolution is the first and only "future proof" digital projector.
- ✔ Upgradeable SXGA (1365 x 1024) to WUXGA (1920 x 2000) resolution.
- ✔ The first digital projector with an internal anamorphic lens.
- ✔ Among the quietest projectors in the world.
- ✔ TAW exclusive 100ft capable DVI-D digital input.
- ✔ High quality all metal case design.
- ✔ No room light spill producing the darkest black levels.
- ✔ View actual screen photos at the TAW customer forum. www.tawforum.com

How soon will your projector be obsolete?
