TeamBoard UST Projector 0.19

DESIGN INTENT

0.19 isn't just a number. In a sea of projector stats, it's the number. TeamBoard UST 0.19 features one of the shortest throw ratios on the market. This brings the projector close to the projection surface, and that benefits collaborators in three important ways. It dramatically reduces shadows on the interaction surface, it keeps the presenter out of glare, and it means the projector can be on a mobile stand that moves through standard doorways without a whole lot of trouble. Techs love that too, and quickly find a lot of other features designed with them in mind – easy connectivity, low maintenance, filter-free, a 3-year RTD warranty include, and every unit includes both US and EU power cables, and an extra-long VGA connection cable.

TeamBoard UST 0.19 features image processing using DLP Technology from Texas Instruments. DLP projectors feature superior image quality and incredibly high native contrast ratios. Blacks are really black and whites are really white, making your projections extremely easy to read.

None of this compromises image quality, where the 19er really shows its stuff: Ultra bright, sharp contrast, brilliant color, and high resolution.

KEY FEATURES

Intelligent industrial design

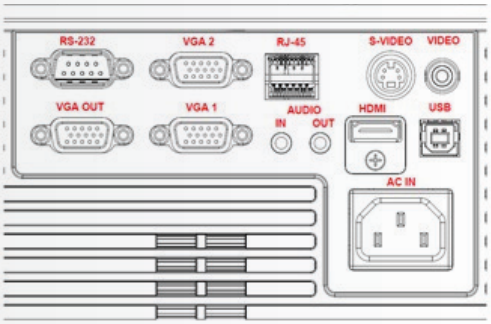
- 0.19 Ultra/Extreme Short Throw Ratio
- Reduced shadow
- Reduced glare
- TeamBoard Total Mobile Compatible
- Mount securely, away from traffic

Superb Image

- 2500 standard / 3000 peak lumens
- 1500:1 Contrast
- 16:10 (native), 16:9, and 4:3 capable
- F=2.4 glass lens
- HD ready 720P
- Horizontal Scan Rate of 15,30 to 90 KHz
- Vertical Scan Rate of 43 to 85 Hz

Brilliant color
- 16.7 Million colors
- "BrilliantColor" by Texas Instruments
- 6 segment color wheel (RGBCMY)

Easy to connect
- HDMI, VGA (two), VGA out, Composite Video, S-Video
- AC input 100~240 +-10% Voltage (auto ranging)



Easy to control
- RJ45, R-232C
- Remote included
- Keystone correction +/-15° vertical

Audio
- Integrated 10W speaker mono
- Mini-Jack Audio In
- Mini-Jack Audio Out
- Quiet 29

Easy to install
- Compatible with many TeamBoard solutions
- Kensington Lock compatible

Superior image processing
- DLP and BrilliantColor Technologies by Texas Instruments
  - BrilliantColor
  - Higher Contrast
  - Higher fill factor
  - No color decay
  - Filter-free

Hassle-free service life
- 4000-6000 hour lamp life (std/eco)
- Superb 3-year RTD warranty
- Easy-loading lamp

Eco Friendly
- Eco mode (190W)
- Sleep mode, <1W standby
- RoHS compliant

Tolerant of most operating environments
- Temperature
  - Operating: 41°F - 104°F (5°C - 40°C)
  - Storage: 14°F - 140°F (-10°C - 60°C)
- Humidity Tolerance
  - Operating: 10% - 85% non-condensing
  - Storage: 5% - 95% non-condensing
- Altitude Tolerance
  - Operating: 0' - 10,000' at 23°C

What's in the box

Product code: TPPUST019

What's in the Box	Your new TeamBoard UST Projector 0.19 (1) Lamp (1) Power Cord 1.8m/6', - US (1) Power Cord, 1.8m/6' - EU (1) Extra long VGA Cable 4.5m / 15' (1) Remote Control (1) User's Manual CD (1)
Sold separately	Additional Lamps Additional Remotes TeamBoard Total Mobile UST stand TeamBoard Interactive Whiteboards

Dimension

Projector only,	Width	13 ¾"	35cm
(excluding mirror)	Height	6 ¼"	16cm
	Depth	12 ½"	32cm
Carton	Width	25"	64cm
	Height	13"	33cm
	Depth	22"	56cm
Weight	Projector	20 lbs	9kg
	Ship (carton)	31 lbs	14kg

Commercial Specifications

Country of Origin	China
Harmonization code	8528.61.0000
Certifications	UL/cUL + CB CE FCC C-Tick
Service Depots	US (California) Germany Taiwan China
