

Toshiba TLP X100

TOSHIBA TLP X100

The Toshiba TLP X100 LCD projector has 2200 Ansi lumens, a contrast of 600:1 and an XGA 1024 x 768 resolution. The projector can illuminate an image width of up to 408 cm with its 2200 Ansi lumens. In room light, however, the image width should ideally be less than 272 cm. Even 1080P video signals are no problem for the projector. It was launched in 2008 and is no longer offered by the manufacturer Toshiba. Unfortunately, we can no longer offer a replacement lamp for this model, neither original nor replica.

3 x 0,63" LCD TFT Panel
XGA 4/3 Liquid Crystal Display

Projector

2200
600:1 full on/off
3,6667 min. Lumen

Screen
