

Vankyo Leisure 480W

VANKYO LEISURE 480W

The standard portable Leisure 480W LCD projector from Vankyo has 250 Ansi-Lumen, a contrast of 7000:1 and a HDTV 1920 x 1080 resolution. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. 250 Ansi lumens ensure that a picture width of 161 cm is also possible. However, if room light is available, the picture should be max. 107 cm wide. The built-in 300mAh Li-Ion battery means that no power supply is required, allowing the projector to be set up quickly and flexibly. Even 1080P video signals are no problem for the projector. It was launched in 2021 and is no longer offered by the manufacturer Vankyo.
