

VGKE TS-6

VGKE TS-6

A brief introduction to the TS-6: The VGKE Micro-Portable LED LCD projector offers 780 ANSI lumens, a contrast ratio of 10,000:1 and HDTV 1920 x 1080 resolution. Thanks to the LEDs, the projector is specified with a 25,000 hour lifespan, which would be 17.1 years with a daily viewing time of 4 hours. Horizontal and vertical keystone correction makes image setup a breeze. Since VGKE indicates the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. An image width of up to 284 cm is possible. However, the image should be smaller in room light. We recommend a maximum of 189 cm. The projector has Airplay, Miracast Screen Mirroring support, which allows you to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via Wi-Fi. Another extra to mention is that the projector can be connected to external wireless speakers via the Bluetooth function. The model is also Full HD 1080P and 4K (compressed) compatible.

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Projector 300 / 13000 Lumen
Contrast 2000:1
Black Level 0,3900 min. Lumen
Screen 133 Lux (200 cm Screen width)
Contrast 2000:1
0,067 min. Lumen

HDTV 1920 x 1080

2.073.600 Pixel

UHD (4K2K) 3840 x 2160 compressed
