

Viewsonic LSC601-4K

VIEWSONIC LSC601-4K

The stationary Viewsonic LSC601-4K laser LCD projector has 6000 Ansi lumens, a contrast of 300000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer Viewsonic specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The projector also offers a lens shift function for flexible projection adjustment without loss of quality. 6000 Ansi lumens ensure that a picture width of 702 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 468 cm. The model is also compatible with Full HD 1080P and 4K (compressed), and even has the option of projecting HD 1080P and 4K (compressed) Blu-rays onto the ceiling using 360° projection.
