

Viewsonic PRO6200

VIEWSONIC PRO6200

A brief introduction to the PRO6200: The Viewsonic 3D DLP projector offers 2700 Ansi lumens, a contrast of 3000:1 and HDTV 1280 x 720 resolution. The service life of the lamp is up to 5000 hours, which is equivalent to over 6.8 years at 2 hours per day. A picture width of up to 528 cm is possible. However, the picture should be smaller in room light. We recommend max. 352 cm. Even 1080P video signals are no problem for the projector. The model built in 2012 is no longer offered by Viewsonic.
