

VISULAPEX U1 Lite

VISULAPEX U1 LITE

The VISULAPEX U1 Lite LED LCD projector has 200 ANSI lumens, a contrast ratio of 8000:1 and an HDTV 1280 x 720 resolution. It is an LED projector with a 30,000-hour light lifespan, which would be over 20.5 years with a daily viewing time of 4 hours. A built-in horizontal and vertical keystone correction brings freedom when setting up the projector. At 144 cm image width, the projector will be able to illuminate well. However, if room light is available, the image width should preferably not exceed 96 cm. Since the projector recognises Airplay, Miracast Screen Mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. In addition, the projector can be flexibly connected to other speakers thanks to the Bluetooth function. Playing 1080P is also no problem for the projector.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

200

89 Lux (bei 200 cm Screen)
