

Vivibright W330

VIVIBRIGHT W330

Brief Introduction

Beta 2.5

A brief introduction to the W330: The Vivibright 3D LED LCD projector offers 2800 Ansi lumens, a contrast of 600:1 and a WXGA 1280 x 768 resolution. The manufacturer Vivibright specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. 2800 Ansi lumens ensure that a picture width of 538 cm is also possible. However, if room light is available, the picture should be a maximum of 359 cm wide. Playing 1080P is also no problem for the projector. The model was built by Vivibright in 2014 and is no longer current.
