

Vivitek DW770USTi

VIVITEK DW770USTi

A brief introduction to the Vivitek DW770USTi. The DLP projector has a WXGA 1280 x 800 resolution and a contrast of 14000:1 new / 10000:1 old. The manufacturer Vivitek specifies a lamp life of 12000 hours, which converts to over 16.4 years at 2 hours per day. The integrated lens shift gives freedom when positioning the projector. With a projection ratio of just 0.35:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 70 cm away from the screen. Playing 1080P and 4K (compressed) is also no problem for the projector. The model was built by Vivitek in 2019 and is no longer current.

 1 x DLP Chip
