

Vivitek DW884ST

VIVITEK DW884ST

The Vivitek DW884ST short-throw 3D BrilliantColor DLP projector has 3600 Ansi lumens, a contrast of 15000:1 and a WXGA 1280 x 800 resolution. Thanks to the short-throw projection ratio of just 0.521:1, the projector is also not distracting in the room. For a 2m wide image, the projector only needs to be 104 cm away from the screen. The projector is equipped with a microphone jack plug and 10W speakers, so no additional speakers are required for presentations or training sessions. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). The projector can also play 1080P and 3D without any problems. It was launched in 2015 and is no longer offered by the manufacturer Vivitek.
