

Wolfgang WP07

EAN/UPC:B0H4TSP69X

WOLFGANG WP07

A brief introduction to the WP07: The Wolfgang LED LCD projector offers 900 ANSI lumens, a contrast ratio of 20,000:1 and an HDTV resolution of 1920 x 1080. Thanks to the LEDs, the service life is 30,000 hours, which would equate to over 20.5 years based on 4 hours? viewing per day. Built-in horizontal and vertical keystone correction offers flexibility when setting up the projector. The projector is capable of illuminating an image width of 305 cm effectively. However, if there is ambient light in the room, the image width should ideally not exceed 203 cm. The model recognises AirPlay and Miracast screen mirroring signals, so it is possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS) via Wi-Fi. Furthermore, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. It is also compatible with Full HD 1080p and 4K (compressed).
