

# XGIMI H6

XGIMI H6

A brief introduction to the XGIMI H6. The standard portable DLP projector has an HDTV 1920 x 1080 resolution and 2400 Ansi lumens. An image width of up to 498 cm is possible as the projector has 2400 Ansi lumens. However, if room light is available, the picture should be max. 332 cm wide. Thanks to the integrated Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube as well as games and other interactive content. Furthermore, it is Full HD 1080P and 4K (compressed) as well as 3D compatible, so all currently available Blu-ray formats can be recognized by the projector. The operating noise of just 22 decibels makes the projection quiet.
